

The graph displays a function that is mostly zero, with several sharp, narrow peaks. The most significant peak is at $x = 100$, where the function value reaches approximately 1.2. Other smaller peaks are visible at $x \approx 15$, $x \approx 35$, $x \approx 45$, $x \approx 55$, $x \approx 65$, $x \approx 75$, $x \approx 85$, $x \approx 115$, $x \approx 125$, and $x \approx 140$. The function is zero for $x < 10$ and $x > 150$.
